Ford® Transit MFSAB

THE BEST JUST GOT BETTER

The Collins Ford Transit MFSAB delivers reliable performance and safety on every trip. The narrow width of the Transit MFSAB makes it easy to maneuver on even the narrowest roads and is designed to increase efficiency. Better front-end visibility improved safety for the driver and passengers. The Collins Ford Transit MFSAB offers all of that with the best warranty in the industry.

Ford Transit Features

- Narrow-body design that offers easy vehicle maneuverability
- Innovative structural design provides unparalleled safety and features an exclusive one-piece tubular roof bow design
- Industry's largest view-out window reduces blind spots and enhances visibility
- 5-Year body warranty and limited lifetime paint warranty

OUR VEHICLES CONNECT AND PROTECT
PEOPLE AROUND THE WORLD EVERY DAY.
